	1) The sources of paragraphs 1 and 2 concordently report that the 33d Gds Mtz Rifle Regt of the 9th Gds Tank Div was transferred. As it appears doubtful that the regiment should be stationed outside the army area, it is believed that the regiment is moving to the Fuerstenberg area as has been reported by another source.	2!
. (mortars mentioned in paragraph 1 of the present report certainly had a caliber of 120-mm. 2) The shipments apparently involved units of the 2d Light Arty Brig (US) and were probably connected with their replacement by other units of the brigade, which is stationed in the Peutscher Forst north of Neu-	7
	strelitz. The shipments were partly confirmed by official railroad	2
